Dilan Sachintha Nayanajith Mapalagama Manage

has successfully completed the online Specialization

Certified Kubernetes Administrator (CKA)

This certificate recognizes the successful completion of a comprehensive, hands-on program designed to meet all objectives of the Certified Kubernetes Administrator (CKA) exam.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
